

My Observation Station

Name: _____

1. Use your observation skills to look, listen, feel, and smell for the items below. Put a checkmark next to those you observe and identify each item. While you are at your observation station be sure to observe what is below you, above you, and all around you.

- ☐ something green: _____
- ☐ something blue: _____
- ☐ something round: _____
- ☐ something rectangle: _____
- ☐ something alive: _____
- ☐ something loud: _____
- ☐ something soft: _____
- ☐ something that smells good: _____

2. Write a poem about your observations. The poem must include something you see, something you hear, and something you feel. Try to use at least three adjectives to describe your observations.
